Insane.

Last week Mr. Bijou White, who had advertised his property for sale, was suddenly seized with insanity and was in a dangerous condition in a short time. The authorities were notified and took him in custody and his paroxysms were so violent and his mind so deranged that they were compelled to place him in irons. He was brought to this city and tried in the county court before the following jury, to-wit: Ben Tudor, S. S. Million, J. D. Black, E. H. Bybee, L. T. Wilson, C. T. Wells, Less Adams, M. R. Baxter, H. H. Colyer, J. D. Christopher, Jas Lykins, J. R. Quisenberry.
 After hearing the evidence and instructions of the court, they returned a verdict finding the defendant to be a lunatic. He was committed to the Asylum at Lexington, where he will receive the best of medical treatment and care, and it is hoped that he will soon be relieved.

He is subject to insane delusions and has before been adjudged a lunatic. He is a married man and has a family in Breathitt county.

Council Proceedings.

The City Council met in regular session Thursday night at its sanctuary, the honorable Mayor, Samuel Rice, presiding with his usual grace and dignity. The honorable Board of Council were all present and in the best of humor.

The Chief of Police reported fines paid, \$123.50. Police Judge reported fines of \$456. T. C. O'Neal, Collector, reported \$30,969.30.

Mr. Waller Bennett, representing the Cemetery Company, appeared before the council and in a graceful little speech asked the City Dads to allow them the use of the steam roller gratis, which the council did by a unanimous vote.

A communication from a Southern Cotton Association asked the city council to buy a bale of cotton and to use their influence to encourage the citizens to do so. The council did not want that much cotton "in their" and the request was passed.

The surprise of the evening came when Col. L. B. Herrington asked permission to utter a few syllables before the council. He announced to that body that the Telephone Company would refuse to accept the tentative agreement made at the last meeting, and urged the council to accept the franchise which had been under consideration for some time.

Emil Lorisch moved that the franchise be accepted, seconded by Mr. Covington. The old war horse, Hon. W. B. Smith, who is always alert for the interests of the people, begged the council to pass it by for further consideration, on the ground that it was a complete surprise to the people and was not treating them right to take it up and consider it without any notice. But the well-oiled steam roller was working very freely that night and his pleadings were unheeded.

On a call of the council, Covington, Lorisch, Vaughn and Golden voted to accept the franchise as proposed by the Telephone Company, and Todd and Deatherage voted against it. The mayor declared the motion adopted and the telephone franchise will be offered for sale, after due notice is given through some local paper.

Joseph Thurman's claim for sewer pipe, which was rejected at the last meeting, was reconsidered and the council agreed to return the pipe to Mr. Thurman which it had borrowed from him two years ago. This was entirely agreeable to Mr. Thurman.

The question of an electric light in front of the Second Christian church was referred to the light committee.

The question of raising the sidewalk at the ball ground was referred to the street committee.

The application of Mr. Harvey to open a pool room at the corner of Irvine and 4th streets, was read and a remonstrance to the same was filed by the leading colored citizens of the city. On a vote of the council, Golden, Deatherage and Todd voted against the license; Vaughn and Lorisch voted for it; Mr. Covington was absent, having withdrawn from the meeting and gone home.

The council called on the Treasurer for a report and he asked to be excused till the next meeting for the reason that he had not received checks from the Collector in time to make out his report for this meeting. The council court-

ously extended the time.

In this connection the council ordered the City Treasurer to make out a complete financial statement from January last up to and including Dec. 31 of this year, and appointed a finance committee, consisting of the City Clerk, Treasurer and City Collector and an outside man, to be named by the Mayor. And further ordered that this financial report be published in some paper to be hereafter designated.

The council then took up its routine business and allowed the following claims—George English, \$12.50; Morgan Taylor, \$254.25; Laurence Powers, \$2; E. T. Nelson, \$5.25; Richmond Carriage Works \$3.40; Sally Winkler, \$23; Normal City Laundry, \$3.90; Pantagraph, \$2; John Worrall, \$6; Climax Printing Co., \$2.20; D. W. Vandever, \$2; Wm. Moynahan, \$251.70; Richmond Ice Co., \$5.10; T. C. O'Neil, \$37.70; T. C. O'Neil, back tax, \$50.50; L. R. Blanton, \$22.40; H. Parke, \$19.50; T. O. Broadus, \$3; Madisonian, \$1.80; Transylvania Printing Co., \$27; Ky. Utilities Co., \$586.72; B. R. Daugherty, \$57; C. C. Cullton, \$6.10; A. D. Estes, \$3.80; Jas. Baird, \$2; G. C. Terrill, \$8; A. Dobrowski, \$5.75; G. S. Broadus, \$18; Wesley Wells, \$2; Kennedy Bros., \$3.70; J. R. Johnson, \$12.

The meeting then adjourned in peace, brotherly love prevailing, all as happy as a wedding party.

Stockton at \$12 per share. Twenty shares of Commonwealth Insurance Co. stock was also sold to R. C. Stockton at \$16 per share. Mr. G. Murray Smith bought 52 shares of Paragon Consolidated Mining stock at \$1.50 a share. This last stock was bought by Dr. Morgan at \$10 the share, some of it as recently as last July.

UNION CITY.

There was a good attendance at the dedication of the Union City High School building last Friday. An abundance of dinner was served to all, there were songs and several timely speeches were made.
